Deputy Director  
Central Intelligence Agency  
Washington, DC 20505

Dear Admiral Inman,

Thank you very much for meeting with our group in Washington on March 8. Our members thought the session was both interesting and informative, and enjoyed seeing the CIA building. I hope you enjoyed the meeting as much as we did and perhaps we can do it again some time. Also, please thank [redacted] for her work in setting up our meeting. We send our best wishes for your future endeavors.

Sincerely,

Linley Gwennap
